Recreational Programs

U04 – U05 Born in 2015 to 2014

The Micro League is an exciting way to begin your soccer career. The U4 and U5 will have one session per week for 14 weeks where your mentor coaches will set up drills designed to give the player basic skills needed to play the game. Followed by a small sided scrimmage to introduce them to team play. Parents will be encouraged to assist, no soccer experience is required. In the spirit of Long Term Player Development LTPD no scores or standings will be kept to encourage skills development as opposed to competition. Don't be shy step up and make a difference.

U06 – U12 Born in 2013 to 2007

The mini league is where actual play begins. Teams will play a game once a week for 14 weeks and your coach may hold a practice each week as well. In the spirit of Long Term Player Development LTPD no scores or standings will be kept to encourage skills development as opposed to competition. Parents are encouraged to cheer everyone on, players, coaches and game officials no matter what their performance, everyone is learning, spectators too. The U06 to U08 will play small sided games directed by Game Leaders, Coaches for this age group are also volunteer parents or students. Little or no soccer skills are required, just a desire to help out and make a fun and enjoyable experience for everyone.

U13 – U18 Born in 2006 to 2001

Competitive play begins at U13 where we start keeping scores and standings, there are playoffs and a cup final for a full program of 14-16 weeks. Exciting action and lively spectators make this age group the highlight of our club. You will have players of every skill level on every team from novice to seasoned veterans, balanced out to make each team as competitive as possible. One game each week and a practice make recreational play at this level inviting for all players. Coaches are volunteers as well and previous soccer experience is preferred.

Recreational Programs F A Q

The Brampton Youth Soccer Club is a not for profit youth sports organization run by volunteers, just like you.

Volunteer Coaches from U11 – U18 will be required to complete the Ontario Soccer online module for Respect in Sport. Coaches will contact you by email 10 to 14 days before the season starts.

Each player will be issued a jersey, shorts and socks. This is their uniform as supplied by the club which is covered in your registration fees and **MUST** be the only uniform worn to games. If the uniform fit is not suitable arrangements may be made through your coach. Absolutely no jewellery is to be worn during practices or games.

The Club Policy is such that each micro, mini and house league player must play a minimum of 50% of the game, the Club considers this as equal playing time.

On the last day of the season U4 to U12 players will receive their participation trophies/medals. U13 to U18 will have to win their trophies in a Cup game final.

Coaches from U06 to U18 May schedule a practice each week however, not mandatory and are at the discretion of each coach to hold.

Practices will be held inside the school gymnasium of the coaches choosing. We are guests in the school and must adhere to all the school board policies. Most importantly no parents will be allowed in the gyms.
