RE: New Technical Staff Announcement

Good afternoon BSC members,

The Brampton Soccer Club is very excited to welcome **Richard Edwards** to our Technical Staff. Coach Richie will be overseeing the **U12, U13 & U15 Rep Female Programs**, and will work in conjunction with BSC's Tech Staff to assist in the development of all players and coaches.

Coach Richie brings an enormous amount of game and technical knowledge as a player and coach having represented the Jamaican National Team for many years.

We look forward to having Coach Richie join our BSC team and hope to get back on the field soon!

**Please join me in welcoming Coach Richie to the BSC family!
Great things are happening at BSC!**

Sincerely,

Gene DaSilva

President

Brampton Soccer Club
