## **VOLUNTEER SCREENING POLICY**

It is the policy of the Brampton Soccer Club that all coaches, assistant coaches, managers, and team trainers have a current Vulnerable Sector Form (Police Records Check) on file with the Club.

A current Vulnerable Sector Form (Police Records Check) is defined as being completed annually. The Brampton Soccer Club will pay the fee associated with obtaining a Vulnerable Sector Form (Police Records Check) for all coaches, assistant coaches, and managers only. All coaches, assistant coaches and managers must obtain a Vulnerable Sector Form (Police Records Check) from the local Police Headquarters.

The Brampton Soccer Club complies and keeps a list of all coaches, assistant coaches, and managers. Included in this list is verification of each member's status in regard to having a current check.
